

2024 Pine To Palm Board of Directors Candidate

CAROL JANCAR

201 Chapple Drive

My name is Carol Jancar. I currently reside at 201 Chapple Drive. My husband and I bought in March of 2020 and after a long Covid winter we were able to return in December of 2021.

Taking an early retirement at the age of 55 in 2017, I had been working as an Operations Manager, National Training Co-ordinator, responsible for ensuring safe, effective and efficient practices conforming to corporate and local policies. In my position I was committed to Process Improvement Training and procedures including forms, documents and staff training at Brenntag Canada.

I was previously a member of the Board of Directors for the Etobicoke Hockey League; first in the position of Secretary and then as Vice President. I attended monthly meetings, hearings, organized the yearly fundraiser, dinner dance with a silent auction. Generated a monthly newsletter for the families in the league to keep them in touch with the various activities going on.

I enjoy working with people in a team environment and am an inclusive and efficient communicator. I consistently strive to foster a supportive and harmonious community.

My background in implementing and creating procedures for policies and regulations, coupled with the ability to handle numerous projects efficiently makes me a strong contributor to a sound working environment.

Prior to retirement I worked for a national chemical distribution company (Brenntag Canada) for 32 years, moving from Secretary to Product Co-Ordinator, to Site Manager, to Operations Manager and retiring as Site Manager / National Training Co-Ordinator.

Previously I was an Administrative Assistant to the Controller at Irwin Toy Canada.

Education: High school graduate , Humber College Management Program and various other management courses. ISO Certified Auditor, IAPA Certified, and Green Belt in Six Sigma.

With my previous work and volunteer experiences I feel that I can be an asset to the board of directors.

When not at Pine to Palm in Texas, we spend our time with our family and friends in Stoney Creek and on Manitoulin Island, Ontario, Canada.
